No part of your lawsuit is more important than voir dire. All facts being the same, you can win or lose because of the jurors you select and the ones you fail to remove. Famed trial consultants Lisa Blue and Robert Hirschhorn have mastered the art of selecting a jury, and in *Preparing for Voir Dire*, they bring you a concise, easy-to-follow road map for planning this essential phase of trial. This handy guide explains the principles that are vital to preparing for an effective voir dire. It walks you through identifying the beliefs and values at the core of your case, then using that knowledge to reveal prospective jurors' innermost prejudices and biases.
